Source: Phillips & Schweisfurth (2014, pp. 67-68)

AREAS OF CONTRIBUTION

- Strengthening the institutionalization of CIE
- Methodology development of CIE
- Publication of Textbooks, Encyclopedias, Yearbooks, and Journals
- Creation of Coursework (university programs)
- Enriching the thematic diversity of CIE
- Establishment of organizations taking part in professionalization and institutionalization of CIE

FIGURE 3: AREAS OF CONTRIBUTION

CONCLUSIONS FROM THE STUDY

- A large bulk of publications
- Professional associations
- Varied methodological instrumentarium
- Thematic diversity
- Formal academic programs
- Institutionalization of CIE vs. Multiculturalism

A WAY AHEAD

- This study can be used and serve as a model for researching the development of CIE or other scientific fields in different countries or regions of the world.

THANK YOU FOR YOUR ATTENTION!
