BULGARIAN COMPARATIVE EDUCATION SOCIETY

RESEARCH EXCELLENCE AWARD

Purpose of the award

To recognize and encourage excellence in comparative education research, quality presentations and innovation.

All presentations (based on submitted abstract or full paper) at the BCES conference are considered for the **Research Excellence Award**. Poster presentations do not qualify.

Criteria

Overall, the presentations are judged for their originality and creativity, knowledge of the researched area, organization of the content, clarity of slides and visual representations, oral presentation and keeping in time of 20 min.

The following **seven areas will be rated**:

- Background provides appropriate perspective(s)/context
- Objectives/research questions are clearly stated
- Research design /methods are appropriate
- Data sources and/or sampling procedures are clear and appropriate
- Results are well presented/objectives are met
- Organization and clarity of presentation/quality of visual material
- Originality and creativity

Decision

Each Thematic Section Chair nominates the best presentation/only one. The nomination needs to be delivered to the Conference organizers right after the respective section is completed to allow time for printing the certificates.

Award ceremony

The awards will be presented to all nominees at the conference closing.
