

This volume contains selected papers submitted to the XVII Annual International Conference of the Bulgarian Comparative Education Society (BCES) held in June 2019 in Pomorie, Bulgaria. The XVII BCES Conference theme is *Glocal Education in Practice: Teaching, Researching, and Citizenship*.

Some selected papers submitted to the pre-conference International Symposium on *30 Years since the Fall of the Berlin Wall* are also included in this volume.

The book includes 34 papers written by 69 authors from 20 countries. The volume starts with an introductory piece by the keynote speaker Ewelina Niemczyk. The other 34 papers are divided into 7 parts: 1) Comparative and International Education & History of Education; 2) International Organizations and Education; 3) School Education: Policies, Innovations, Practices & Entrepreneurship; 4) Higher Education & Teacher Education and Training; 5) Law and Education; 6) Research Education & Research Practice; 7) Thirty Years since the Fall of the Berlin Wall: Educational Reforms Worldwide.

Viewing all papers in this volume, it can definitely be concluded that it is a valuable source for interesting studies on various educational problems in the light of globalization, localization, internationalization, and glocalization.
